

About Samaritan Bethany

“Residents do not live in our facility. We work in their home.”

Samaritan Bethany has been providing care for elders in our community for over 95 years. As a local, non-denominational and non-profit organization, we offer living and care options for seniors; giving loving and quality care to people of any faith preference, and acknowledging each resident's individuality.

Our Senior Care Community provides independent housing, assisted living, memory care, short-term rehabilitation and long-term skilled care within one continuum of care campus.

Samaritan Bethany Foundation helps to support the care, services and programs of Samaritan Bethany.

Proceeds from the 2018 Golf Classic will go towards the purchase of iN2L, adaptive technology for the care and comfort of our **residents with dementia**.

Last year the proceeds helped to purchase a **two iN2L units** for our residents, and has been very well received.

Thank you for your support!

It's Never 2 Late (iN2L)

iN2L is technology, especially designed for those in Memory Care, but can also benefit all residents.

It's Never Too Late is an interactive product that integrates computer hardware, software, media and components. It is proven to enhance the lives of residents with dementia through **individual-directed activities**, and provides more opportunities for interaction with our staff.
