

A Senior Care Community

Update Published July 27, 2020

According to new directives from MN Department of Health, family members are now able to drop off items for their loved one at Samaritan Bethany.

Baked goods, meals, and perishable items will be delivered the resident immediately.

Essential items such as glasses, dentures, CPAP, incontinent products, etc., will be sanitized prior to delivering to the resident.

Clothes will be washed prior to giving to the resident.

Non-essential items such as craft supplies, books, decorative items, etc. will be quarantined for three days prior to giving to the resident.

VIDEO CALLS & OUTDOOR VISITS
