Dear Resident/Family member:

We have been notified of 1 new positive resident case and 2 new positive staff members at Arbor Terrace. The 2 staff had contact with memory care residents and the resident case was a memory care resident.

Any unvaccinated or symptomatic residents who were exposed will be placed on quarantine.

Outbreak testing will occur for residents exposed as well as staff identified through contact tracing. Please know we are working as quickly as possible to stop the spread of this virus.

Visitation for Arbor Terrace will continue however we highly encourage you not to visit at this time. We suggest waiting 1 week till 1/17/22 to visit.

Communication is key, and we will continue to update you on any news, emerging issues, or additional changes in our operations via the COVID-19 section of our website. Please don't hesitate to contact me at 507-424-5454 or rpaddock@samaritanbethany.com if you have any questions or concerns.

Sincerely,
