

Samaritan Bethany

January 17th, 2021

Dear Resident/Family member:

We have been notified of 4 new positive staff members at Arbor Terrace throughout the weekend and 6 new resident cases (3 memory care and 3 assisted living). The staff positive only exposed memory care and assisted living residents.

Any unvaccinated or symptomatic residents who were exposed will be placed on quarantine.

Outbreak testing will occur for residents exposed as well as staff identified through contact tracing. Please know we are working as quickly as possible to stop the spread of this virus. We are following all recommended guidance from CDC and MDH. PPE is being utilized and we are monitoring resident conditions closely for any symptoms, to stop the spread as quickly as we can.

Visitation for Arbor Terrace will continue. However, we STRONGLY encourage them not to visit at this time. We suggest visitors wait 1 week till 1/24/22 to visit.

Assisted Living and Memory Care residents are to stay on their neighborhoods as much as possible and wear a mask when needing to travel outside their neighborhoods.

Communication is key, and we will continue to update you on any news, emerging issues, or additional changes in our operations via the COVID-19 section of our website. Please don't hesitate to contact me at 507-424-5454 or rpaddock@samaritanbethany.com if you have any questions or concerns.

Sincerely,

Rachael Paddock
Housing Community Leader – Arbor Terrace
