January 8th, 2021

Dear Resident/Family member:

We have been notified of 2 new positive case of COVID-19 at Arbor Terrace with a staff member. One staff member had no contact with others. The other case did expose a few residents in Independent Living.

Any unvaccinated or symptomatic residents who were exposed in Independent Living will be placed on quarantine. Outbreak testing will occur for residents exposed as well as staff identified through contact tracing. Please know we are working as quickly as possible to stop the spread of this virus.

Visitation for Arbor Terrace will continue.

Communication is key, and we will continue to update you on any news, emerging issues, or additional changes in our operations via the COVID-19 section of our website. Please don't hesitate to contact me at 507-424-5454 or rpaddock@samaritanbethany.com if you have any questions or concerns.

Sincerely,

Rachael Paddock
