

Samaritan Bethany

December 27th 2021

Dear Resident/Family member:

We have been notified of 1 new positive case of COVID-19 at Arbor Terrace of an employee. The staff member does not provide direct care and did not have contact with residents. They also were not in the building during the 48 hours contagious period, which means there is no known exposure to the other staff or residents.

Outbreak testing does not need to be conducted for residents. We continue to work with the MN Department of Health on safety measures.

Visitation will continue for all residents at Arbor Terrace.

Communication is key, and we will continue to update you on any news, emerging issues, or additional changes in our operations via the COVID-19 section of our website. Please don't hesitate to contact me at 507-424-5454 or rpaddock@samaritanbethany.com if you have any questions or concerns.

Sincerely,

Rachael Paddock
Housing Community Leader – Arbor Terrace
