~ A Message from the ~ Housing Community Leader

Greetings,

July was filled with patriotic smiles, fireworks, and lots of hot summer days. Our residents enjoyed learning the history of the hot dog on July 21st and got to celebrate July birthdays at happy hour with musician Kent Larson and his accordion magic.

August is coming in hot with the Arbor Terrace Picnic on August 19th! We are excited to have everyone join us in our first “post COVID restriction” community gathering. There will be food, conversation, games, and music by River Root Jam!

We will also be hosting a Back to School Drive. During the month of August we are collecting pens, pencils, markers, notebooks, backpacks, etc. to donate to local schools. These kiddos finally get to go back to the classrooms and we want to help give them supplies they need.

Another change at Arbor Terrace comes starting August 1st, 2021. Assisted Living Licensure will be in full effect. This change is regulated by the Minnesota Department of Health. Arbor Terrace services are not changing but the building will all be classified under one license. Alongside these changes comes an increase in rates and services starting September 1st, 2021.

I hope everyone is staying cool through this heat and humidity!

Sincerely,

Rachael Paddock, LNHA

Arbor Terrace Rate Notice

Effective September 1st 2021

July 29th, 2021

Dear Residents and Families,

As you may already know we are transitioning to Assisted Living with Dementia Care Licensure starting August 1st, 2021. This license is comprehensive and covers all areas of Arbor Terrace Independent Living, Assisted Living, and Memory Care. This licensure change is regulated by the Minnesota Department of Health and requires us to revise the lease, service plans and additional services agreements.

We have carefully considered the budget for our next fiscal year, as difficult as it is during these unprecedented times, we are implementing an increase to the base rates and services starting September 1, 2021. After reviewing the new legislature and requirements it is apparent we must change our rates to sustain high quality care and retain our essential healthcare workers. In the rate we did deduct meals and some services from the base rate and they will now be billed separately.

Each resident will need to sign a new lease, service plan, and an additional services agreement with Rachael Paddock, Housing Community Leader. In your individual letters there was a date and time assigned to each of you. If you can not make it on the assigned day or time, please reach out and reschedule with Rachael.

Sincerely,

Rachael Paddock, LNHA

Resident Spotlight

Abe is a born and raised Minnesotan. He grew up in Easton, MN and moved to Rochester, MN in 1979. Abe attended Wells Easton High School and was a sports fanatic. He was on the football team as a tackle, wrestled, and ran track. Looking back at these memories were a highlight of adrenaline and a moment in time Abe wishes he could relive.

Abe was 18 years old when he was drafted to Vietnam a part of the U.S Navy. His task in the Navy was to drop off Marines to the shore. After his deployment he returned home and volunteered at the Disabled American Veterans Organization. This was to assist his brothers who were also deployed and returned home with effects from Agent Orange, hearing loss, and other disabilities from war.

Abe also worked for 20 years under Gus Chafoulias who invented the skyway system in Rochester and developed premier hotels. Then he transitioned to working at St. Francis of Assisi as a custodian. On Abe's 60th birthday his co-workers at St. Francis surprised Abe with Twins tickets!

If you know Abe he is always decked out in Vikings or Twins gear depending on the sport in season. A true Minnesotan fan and watches nearly every game! Abe can recall visiting the new Vikings stadium to watch Lourdes High School compete for the state championship.

Abe had a hard time recovering after Vietnam and he thanks his sister, Audrey, and her husband, Denis, for all their support and love to lift him up in his darkest days. Audrey helped Abe go to school and get his life back on track. Abe has loved watching his nieces grow up and now gets to be Uncle Abe to his niece's kids too!

Abe has a love for faith and loves to read literature about Mother Teresa. He also loves to tend to the plants around Arbor Terrace, make necklaces and dream catchers, and grace visitors with some classic rock and roll when they come in Arbor's front door.

Abe choose Arbor Terrace as his home with the help of his sister and knew it was the place to go when the time came. Abe says "It is gorgeous, the people are amazing, service is awesome, and if you need a place Arbor Terrace is where you should go."

Abe's life motto is "To take it one day at a time."

Message from the Chaplain

Attention Good Souls:

We're looking for volunteers to help City View residents get to worship Sunday mornings at 10:00. If you are willing and able, please consider this important role to help provide spiritual care for our nursing home community. It's truly a vital service that you'll feel good about doing.

Those who are interested, please contact myself or Ronnie Robertson, our Volunteer Coordinator at 507-424-4073; rroberson@samaritanbethany.com. Ronnie will assist you with the process to get you certified to be a volunteer. You will need to provide a hard copy of your vaccination certificate and your driver's license. She has a form for you to complete, as well as a very brief orientation session.

Please consider this vital service. Our residents have been prevented to attend in person worship for over a year now. They're more than willing to get together in God's company to nourish their souls. I'm sure yours will be too.

Keep the Faith,

Pastor Glen, Chaplain
