New Year Game Excellence

January 2026

A Little Bit Of Pixie Dust

As we approach 2026, we are thrilled to keep refreshing our living spaces. We kicked off at the end of last year with a revamped pub and living room, and we are continuing our improvements throughout the campus.

Our fundraising campaign aims to enhance our common areas and living rooms, bringing some much-needed love to the neighborhoods.

Additionally, we will prioritize creating a more functional exercise room for residents and revamping the first floor of Arbor Terrace to ensure a brighter and more inviting atmosphere!

Kicking off the New Year Right

We welcomed the New Year in style at Samaritan Bethany, hosting a delightful New Year's party for all our residents. The atmosphere was filled with laughter, music, tasty treats, and cherished memories, uniting our community and creating a positive, hopeful vibe for the year to come for everyone involved.

A Fond Farewell to Ronnie

We are celebrating Ronnie Robertson as she retires after 15 wonderful years with Samaritan Bethany. As our Volunteer Coordinator, she played a vital role in supporting resident events while also coordinating volunteers who generously gave their time to our facility. Ronnie's dedication, warmth, and organization help create meaningful connections and lasting memories. Her compassion and commitment have made a lasting impact on residents, volunteers, families, and staff. Don't worry; she'll remain a familiar, friendly face around Samaritan Bethany while continuing to volunteer with the Auxiliary.
