JUNE 2026

HOMES FOR THE AGING WEEK

Homes for the Aging Week was a tremendous success and brought joy and excitement to everyone involved. Residents enjoyed many fun activities throughout the week, including a petting zoo, sweet treats from the ice cream truck, a tea party, cupcake decorating, and Trishaw bike rides.

We ended the celebration with a lively parade filled with laughter, music, and togetherness. It was a wonderful week that created meaningful memories for residents, families, and staff alike.

Happy Father's Day

THE GIFT THAT KEEPS ON GIVING

Samaritan Bethany's Chapel Council recently presented a gift of \$466.55 to Elder Network in support of its mission to serve older adults and caregivers throughout Southeast Minnesota.

Made possible through chapel tithes and offerings, the donation will help fund transportation assistance, caregiver resources, wellness programs, and activities that keep older adults active and connected in the community.

Welcome Sam

We have a new Life Enrichment Mentor at Samaritan Bethany! Please join us in welcoming Sam Vath to our team. She will help create meaningful experiences and memorable moments for our residents through activities, outings, happy hours, and special events. We are excited to have her passion, creativity, and energy as part of our community!

Movin' and Groovin'

This summer, Samaritan Bethany is encouraging staff to stay active and healthy through our "Summer Movement Challenge." Staff can earn points during their shifts by walking, stretching, and drinking water throughout the day. The challenge promotes simple wellness habits while creating a fun and motivating environment for our team members!
