

GOLFING FOR A CAUSE

Together with generous supporters like Yourself, we have been able to accomplish great things like:

- iPads, Kindle Fires, Galaxy Tabs, speakers, etc., to help residents stay connected to loved ones
- Over-bed tables that provide residents a convenient space for dining, reading, games, laptops/tablets and crafts
- Launched the Cycling without Age Program connecting volunteer pilots with residents to enjoy a ride around Silver Lake or on the bike trails
- It's Never Too Late (iN2L) technology to create meaningful experiences for residents by connecting them to their interests and passions as well as the world around them

Your participation in the 2022 *Golf Classic* helps us continue enhancing the lives of our residents for another... ***100 Years of Caring!***
